Now more than ever, your help is needed!

Kitchen to Kitchen is a dedicated group of donors who give a recurring gift to Prescott Meals on Wheels, helping us deliver fresh, nutritious meals and more to vulnerable seniors and adults in Prescott and Prescott Valley.

Two years ago, our client Gerry moved into a senior living facility after her husband of 61 years passed away. Gerry no longer drives and has difficulty preparing meals safely in her home. She reached out to Prescott Meals on Wheels two years ago, and often tells our volunteer drivers how much we have saved her life with not only a well balanced meal, but with the daily wellness checks and conversations. Our service also gives her children peace of mind that their mother is checked in on daily.

Your support helps us assist individuals like Gerry in our community, and your recurring gift provides security and sustainability for Prescott Meals on Wheels to enable us to continue to cover the costs of our meals for those who are unable to pay. An individual's income is never a criteria to receive our service.

Together, we can make a difference with a daily meal, a friendly smile and moments of companionship.

We invite you to become a member of Kitchen to Kitchen. To learn more or sign up, please visit our website at www.PrescottMealsonWheels.com/kitchen-to-kitchen.aspx or contact Michelle Brien at 928-445-7630 ext. #605 or michellepmow@gmail.com

THANK YOU to our Sponsors from July 2019 – June 2020

Your support allows us to continue to never turn anyone away in need of a meal and to make the necessary improvements to provide service to our community.

MEALS on WHEELS PRESCOTT

2019-2020 Fiscal Year-end Report

The Prescott Meals on Wheels Board of Directors would like to express our gratitude to our staff, volunteers, donors and sponsors for their hard work and engagement each and every day. Without the involvement of all the stakeholders and the support received, Prescott Meals on Wheels would not exist.

This annual report contains a summary of the facts and figures for the past fiscal year, between July 1, 2019 - June 30, 2020 which all of you contributed towards. It has certainly been a challenge as we navigate the Covid-19 pandemic. We strive to keep our clients, volunteers and staff as healthy as possible with the measures that we have adopted in our delivery protocols from the CDC and local health authorities. Without the financial contributions from our faithful donors and sponsors, none of this would be possible. We are truly grateful for the years of support to help Prescott Meals on Meals carry out our mission to feed and connect with the vulnerable population in our community.

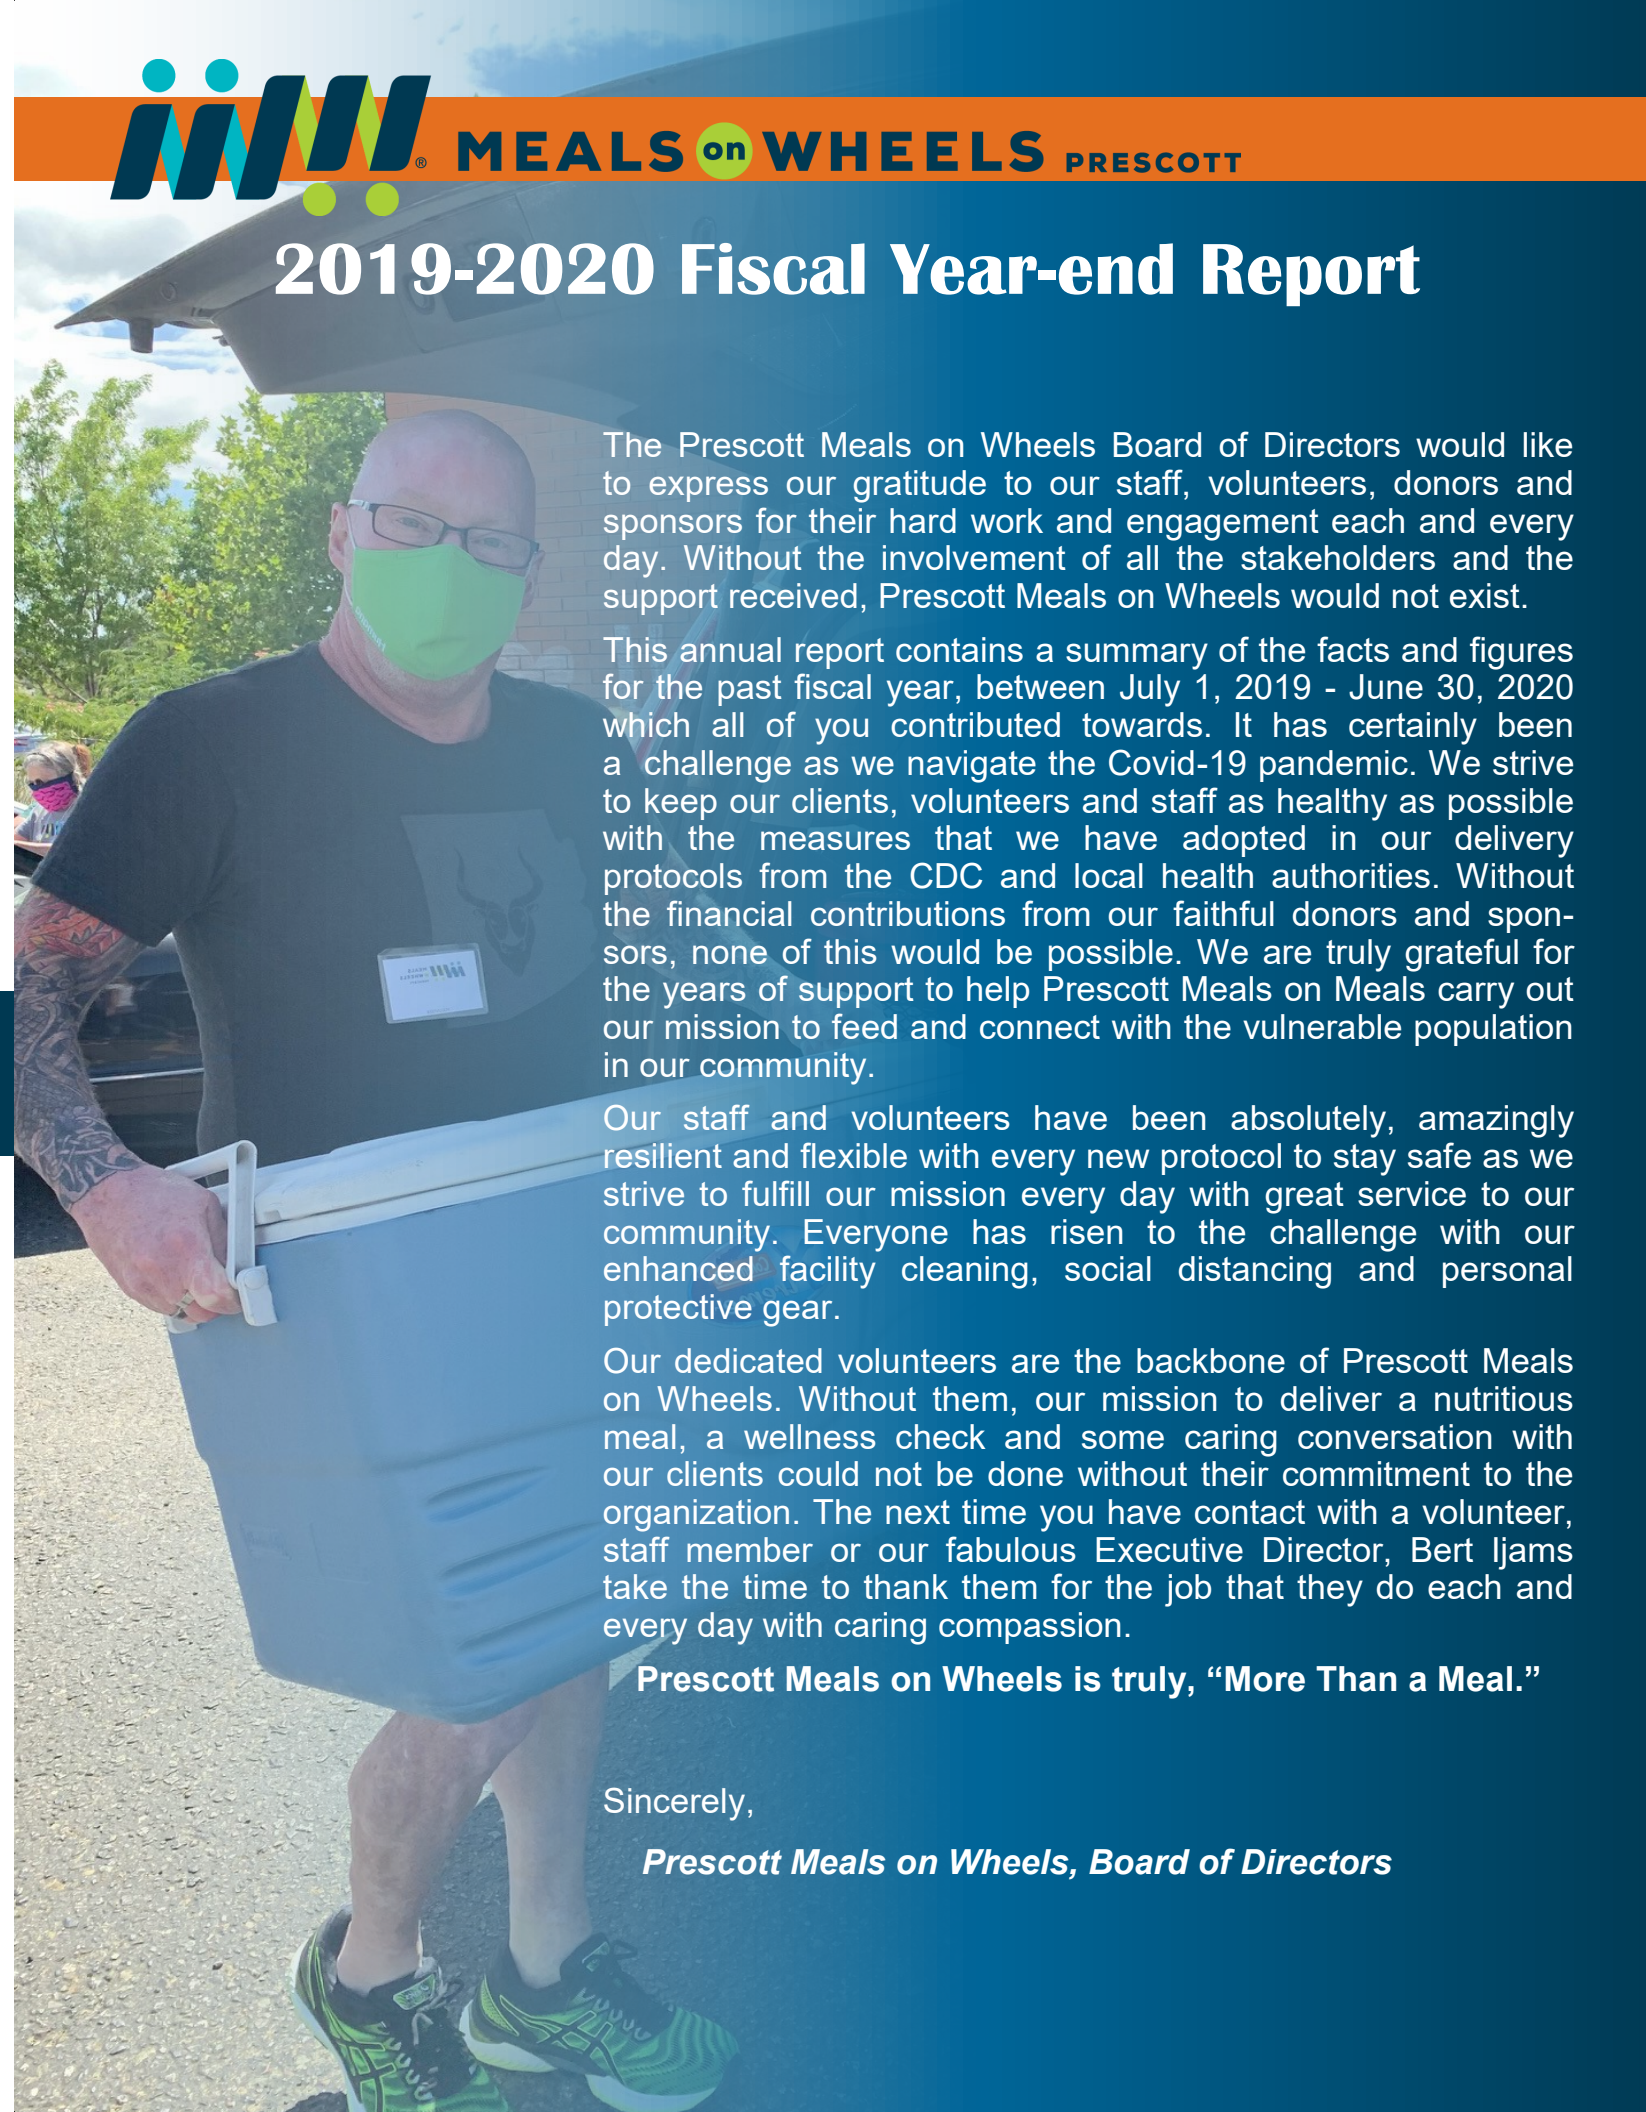

Our staff and volunteers have been absolutely, amazingly resilient and flexible with every new protocol to stay safe as we strive to fulfill our mission every day with great service to our community. Everyone has risen to the challenge with our enhanced facility cleaning, social distancing and personal protective gear.

Our dedicated volunteers are the backbone of Prescott Meals on Wheels. Without them, our mission to deliver a nutritious meal, a wellness check and some caring conversation with our clients could not be done without their commitment to the organization. The next time you have contact with a volunteer, staff member or our fabulous Executive Director, Bert Ijams take the time to thank them for the job that they do each and every day with caring compassion.

Prescott Meals on Wheels is truly, "More Than a Meal."

Sincerely,

Prescott Meals on Wheels, Board of Directors
