Master Chef supports two amazing non-profit organizations in our community, Prescott Meals On Wheels and U.S. VETS Prescott.

Together, we have created a memorable event where we pair local Executive Chef, **Matthew Crawford of Murphy's** restaurant in downtown Prescott, with local honorable veteran residents at U.S. VETS who are participating in their culinary program to be trained for jobs in the food industry.

The event menu is created by Chef Matthew and features a four-course meal along with suggested wine and beer pairings.

Date: Saturday, May 16 from 5:30pm-8:30pm

Location: The Café on Rosser at Prescott Meals On Wheels
1280 E. Rosser St., Prescott

Cost: \$75 per person

Tickets can be purchased on our website at:
www.PrescottMealsOnWheels.com/master_chef_event.aspx

Volunteers are truly the backbone of our organization. They fulfill our mission and spread awareness. They deliver and serve over 250 nutritious and freshly cooked meals daily. They provide a wellness check to make sure that our clients are safe and provide socialization to those who are alone. They bring joy, friendship and diversity to our office and dining room. They dedicate their time and hearts.

All of us are truly grateful to all of our 250 volunteers.

Below are some quotes from our clients about what they appreciate or enjoy about our volunteers:

"I really do appreciate them, love their personalized service, friendliness, and calling me by name." Joseph

"I enjoy all of the volunteers, they are all so very helpful. They take out my trash, always check my mail, bring pet food and treats for my dog. They all do a great job." Denise

"Everyone has been very friendly and cooperative. You have one special one...he is a substitute driver, Bruce who is an "A+" Volunteer." All of the volunteers are very nice people and very interested and concerned for my wellbeing." Burnice

"I love their companionship. I need to connect and know there are people out there that really truly care. Your volunteers are very invaluable." Wanitta

"The volunteers that deliver meals are happy, positive and smile, and they are an amazing credit to your organization." Kerry
